

LeadingAge Oklahoma Music for the Ages Non-Grant Participation Process

We are excited you are interested in participating in LeadingAge Oklahoma's Music for the Ages – A Music and Memory Program as a non-grant affiliate. In this role, you will receive instruction and support in implementing the LeadingAge Oklahoma Music for the Ages program for your organization, subject matter expertise, and technical assistance for Music & Memory.

While you don't qualify for the LeadingAge Oklahoma Music for the Ages grant funds, you can participate in the activities and benefit from the resources we are developing for that program for a fee of \$250, plus certification and equipment costs. Following are the steps to consider as you look to participate in this Oklahoma program.

1. Participate in the LeadingAge Oklahoma 1-hour webinar orientation to learn about the program. Contact heather@LeadingAgeOK.org for a schedule of available dates and registration information.
2. Register and pay for the Music and Memory Certification webinars. See musicandmemory.org for additional details and to check for changes to pricing. This will include a Pre-Certification Webinar, three sessions of Certification Webinars, and a Post-Certification webinar. The schedule for this will depend on when you sign up for the program, but is available on their website. Currently the pricing schedule, based on the number of residents/clients at your site:
 - a. 51 or more: **\$1,250**
 - b. 36-50: **\$850**
 - c. 21-35: **\$650**
 - d. 9-20: **\$600**

3. Purchase your equipment: Kits are available for non-profits paying \$600 or more for Certification. Others may purchase kits through Music and Memory.
