Phase 3 Requirements of Participation

A Plan for Successful Implementation and Compliance

This interactive workshop will provide long term care leaders with the necessary tools and resources for implementing the new Requirements of Participation for Phase 3 of the Mega-Rule. Not only will participants receive education on the new and revised regulations due by November 28, 2019, the class is designed to be a working development day for leaders to put together a plan for implementation. The workshop will include policies, procedures, implementation checklists, education materials for staff members, tools, resources, and electronic forms for your use. Your organization will be able to customize the templates, so they are individualized by provider. You will leave with a plan for success!

OBJECTIVES

- Understand the required elements of the skilled nursing requirements for the implementation of Phase 3 regulations on Nov. 28, 2019
- Identify appropriate assessment elements for care planning, cultural preferences, and needs
- Describe and create a plan for implementing an effective compliance and ethics program
- Determine the base competency and training requirements for licensed, certified, and unlicensed staff members
