Thursday, October 10, 2019

This "give-back" educational opportunity for long term care professionals has been made possible by our program partners:

\$25 Early Bird Registration
includes \$15 lunch voucher for lunch in the Plaza District

Approved for 6 hours CEU credit by the National Association
of Long Term Care Administrator Boards (NAB)

Long term care professionals are invited to join us for an engaging day of education, thought provoking discussion, and an opportunity to discover the possibilities to advance the long term care profession. The event will connect providers from across the state to address key topics that will drive operations now and in the future. This program will share timely updates and offer opportunities for engagement on issues and ideas to drive successful operations. Don't miss out on this special event to network with your peers and be a part of the possibilities for the long term care profession.

Due to the special pricing of this event, register early! Space is limited and registration is on a first-come basis.

Agenda

Thursday, October 10, 2019

8:00 – 8:30	Registration and Sponsor Networking
8:30 – 11:45	Program
11:45 – 1:00	Lunch
1:00 – 4:15	Program

Target Audience

Administrators, CEOs, and your management team

Registration Fees

Registrations must be received by Sept. 13 to receive the \$25 early registration rate. Late Registration, if space is available, is \$50.

Program

Driving Quality Improvement with Enhanced Funding

Chris Murphy, CPA, and Lori Brunholz, CPA, BKD
Participants will develop an understanding of Oklahoma's Medicaid payment methodology and key activities and results that drive payment including suggested provider actions to maintain funding.

A Plan for Aging in Oklahoma - The Possibilities for the Future

Bill Pierce, PhD., Baptist Village Communities
Learn about the work underway to develop a strategic plan for long term care in our state.

Nursing Home Quality Improvement – A Focus on Survey and Staffing

Paula Terrel, Oklahoma State Department of Health
The latest deficiencies and survey trends will be discussed along with the implications for the new staffing requirements.

Strategic Technology Planning to Advance Your Operations

Thomas Douglas, JMARK Business Solutions
From communication to resident care, more can be accomplished with facilitation by technology. I.T. foresight and planning are vital business strategies to deliver services and enhance operations.

The Value of Staff Engagement - Avoiding Liability

Christina Nechiporchik, Chelsea Rhone
Discover the importance of a dedicated workforce and the implications when this is not a priority in your organization.

New Pharmacy Requirements for Nursing Facilities

Gara Wilsie, D.Ph., Remedi SeniorCare
Understand the new pharmacy requirements and be prepared to implement them in your community.

Ignite the Possibilities for the Future of Long Term Care

Mary Brinkley, LeadingAge OK
Explore the potential for long term care in the future and how we can advance the profession.
