Online Registration: [www.LeadinAgeOK.org/education](http://www.LeadinAgeOK.org/education)

### Continuing Education Credit

6 hours CEU credit per day for a total of 12 hours CEU credit.

This program has been approved by the National Continuing Education Review Services (NCERS) of the National Association of Long Term Care Administrator Board (NAB) for 12 participant hours.

Oct. 3: 20230928-6-A87635-IN, Oct. 4: 20230223-6-A87636-IN

### Location

Francis Tuttle Technology Center, Reno Campus, 7301 W. Reno, OKC  
Enter at East entrance, Room A102

### Registration is Limited

To provide a safe environment for all attendees, registration for both seminars will be limited to provide for social distancing of all attendees.

# Critical Elements for Nursing Home Compliance

**Monday, October 3**

**8:30 a.m. – 3:30 p.m.**

## **Nursing Home Compliance & Payment Update – Strategies for Fiscal and Clinical Success**

This fast-paced interactive learning session for operational, financial, and clinical professionals will define the newly revised F895 – Compliance and Ethics and present an overview of the FY 2023 Prospective Payment Final Rule. Specific strategies will be identified with implementation guidance to assist operational leadership to prepare for the new requirements. Case examples and documentation guidance will be discussed to improve efficiency and accuracy of data collection and policy development. A must do session for operational and clinical leadership.

### **Objectives:**

- 1) Identify the revised surveyor guidance for the review of the facility Compliance and Ethics program
- 2) Discuss the seven elements of a complete Compliance and Ethics program for a skilled nursing facility
- 3) Review the key payment changes in the SNF Prospective Payment System final rule FY 2023
- 4) Describe the specific strategies facilities must adopt to take advantage of specific payment changes
- 5) Review case examples and policies to support increases in payment rates

**Tuesday, October 4**

**8:30 a.m. – 3:30 p.m.**

## **MDS 3.0 Section by Section Review of Specific Data Creating PDPM Base Payment Rates Documentation - Coding Instructions - RAI Manual Chapter 3 and Chapter 6**

This fast paced session will present a unique Section by Section review of the data items that CMS uses to create the elder specific base payment rate for Part A Medicare from the MDS 3.0. This section-by-section review will highlight all the items that can trigger the PDPM payment process. Specific coding instructions from the RAI Manual Chapter 3 and Chapter 6 will be discussed and compared with the error patterns currently being reported in negative audit results. A full discussion of Chapter 6 of the RAI Manual will include the unique coding instructions for PDPM rate calculation for the data. All MDS processes in the facilities must follow all of the instructions in both chapters as well as the calculations of the Functional Performance Scores for PT/OT and Nursing CMI. Current audit reports are showing documentation and coding errors are significant. This session is designed for operational, clinical, financial and MDS managers and IDT members.

A must do session presented by one of the industry's most experienced consultants and trainers. Case examples will be discussed as well as documentation formats, departmental policies and audit forms to spot check compliance and reduce risks.

### **Objectives:**

- 1) Identify coding items on the MDS 3.0 Data Set that contribute to base rate calculations for the PDPM payment system.
- 2) Review MDS 3.0 tools and documentation formats available to self-audit data accuracy and timeliness.
- 3) Focused discussion on each Section of the MDS 3.0 Comprehensive Assessment that has data items that create or impact base payment rate calculations with review of requirements from the RAI Manual Chapter 3 and Chapter 6.
- 4) Discuss current CMS audit processes reporting data accuracy findings of SNF PDPM claims.
- 5) Identify strategies to improve data quality and accuracy to support PDPM payment rates for Part A Medicare claims.
