

From Peer to Boss
How to Successfully Transition from
Team Member to Team Leader

Wednesday, November 6, 2024

9:00 – 11:00 AM CST

This webinar will be hosted using Zoom.

Course Description:

Becoming a leader requires a different set of behaviors. When you assume a leadership position, everything you do and say becomes more important. The spotlight and microphone are always on you. As Edwin Federman once said, *"Your position gives you authority, but your behavior earns you respect."* You want to maintain a balance by staying close enough to your team to relate to them but far enough away to lead them effectively.

Objectives:

- 5 ways to become a person of influence
- 4 steps to effectively handle team conflict
- How to deliver corrective feedback that results in positive behavior change
- How to build a positive personal brand by becoming the CEO of 'You, Inc.'"
